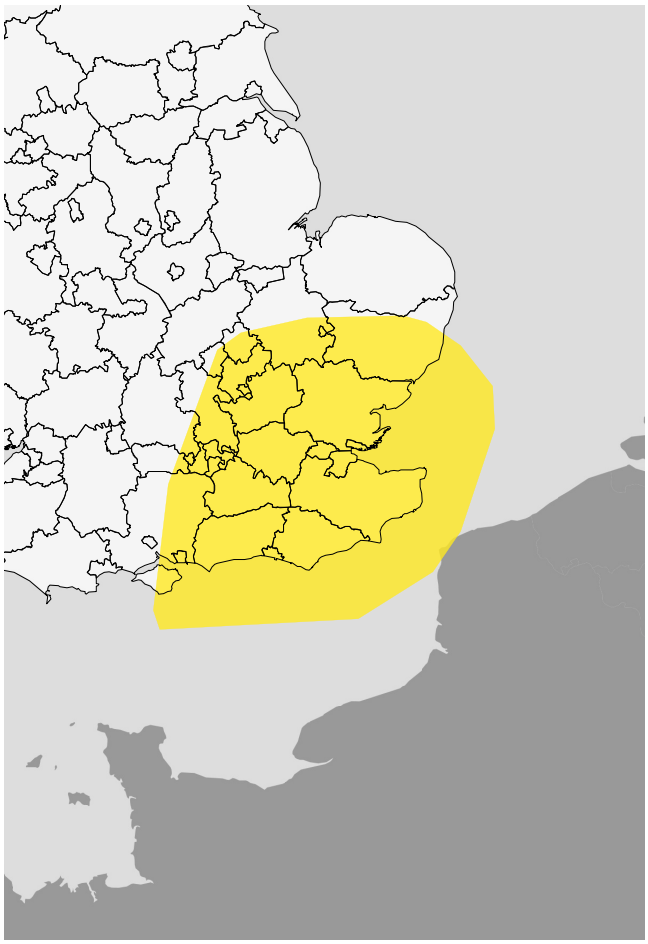
Yellow warning
Rain

Between
00:00 Sat 3 Oct 2020 and
10:00 Sat 3 Oct 2020



Further heavy rain expected on Friday night and Saturday morning, perhaps leading to some disruption from flooding

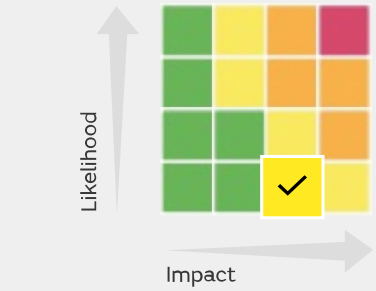
What to expect

- There is a small chance that homes and businesses could be flooded, causing damage to some buildings
- There is a small chance of fast flowing or deep floodwater causing danger to life
- Where flooding occurs, there is a slight chance of delays or cancellations to train and bus services
- Spray and flooding could lead to difficult driving conditions and some road closures
- There is a small chance that some communities become cut off by flooded roads
- There is a slight chance of power cuts and loss of other services to some homes and businesses

Further details

Following Friday's rainfall a further area of rain will push across the east and southeast of England overnight into Saturday before clearing westwards.

15-25 mm of rain is expected widely with some areas perhaps potentially seeing 30-50 mm.



Very low likelihood of medium impacts
